Rev. P. S. S. S.

Respected Sir,

In continuation of petitions dated 9.6.46 presented to your honour in person by a number of Adikarnataka sufferers of the New Gangamma cherry Bangalore city, with regarding to grant of house building sites, available out of the existing, and adjoining coconut garden, we again represent the following on behalf of those petitioners, for favourable consideration and orders thereon :-

That, the petitioners, referred to above, are the permanent and quiet-going residents and that they have been dwelling at the very spacious old Gangamma cherry for the past about 100 years and even more which is evidenced by the ^{Maintenance} said ~~mainenance~~ of the Deity temple till today.

The so-called spacious and large locality of these adikarnatakas has now been split up into smaller units when the Government has begun to improve the city, by forming beautiful roads and constructing prominent buildings, such as Sri Narasimharajendra Road, Kurbaragundi road, Oostania road, and Sri Jayachamarajendra Wadiyar road and Sir Puttanna Chetty's Town Hall, Raja cycle shop buildings, and Sugar Co., buildings, respectively

A number of houses have been acquired and only a few people have been granted exchange of sites elsewhere and also at Gangamma chetty where new houses have been built. A number of people, whose cases have been still pending have been considerably suffering from a very long time without houses and their repeated cries has received least sympathy of the Government, inspite of innumerable and humble representations made to several higher authorities. We feel exceedingly glad, that the Government and the Municipality have been keenly making all necessary arrangements for effecting appreciable improvement for Bangalore city and it is regretted to make a mention here that they have been ignoring the humble prayer/fof the inhabitants of Gangamma chetty as stated above.

Even during the recent visit of late His Highness the Yuvaraja of Mysore to this locality, these poor inhabitants were promised that their prayer would receive sympathy of the Government very shortly, but so far no fruitful orders have been received and the cry of the poor Adikainatakas and others has been doubled, in these critical days, when ~~the~~ people are not in a position to live, in suitable rented houses

Moreover, we hear that recently the adjoining spacious and proposed large plot, where enough of sites required for them could be secured, has been notified to be disposed off by public auction.

As your honour is championing the cause of the depressed classes ever since you were, a Member of the M.L.C. and also as President of the Premier Municipality of Bangalore, we hope you will take up this case even now and see that proper redress of grievances are redressed by providing suitable sites in required areas, adjoining the present Gangamma chetty and the present public auction to be conducted be stayed by issuing an Ad Interim order of stay and be pleased to set apart the area to be allotted to us. For which act of kindness we shall ever remain grateful.

Your act of kindness will be ever remembered
by the oppressed community.

Awaiting commands,

We beg to remain,
Respected Sir,
your most obedient subjects,

Rukmanamma

All residing in Gangamachery, Bangalore city

Petitioners state as follows

The petitioners are the Adikarnataka residents
of Gangamachery near the Town Hall, Bangalore city. Their
houses have all been acquired to improve the area round

round about the ~~Town~~ Hall, and now they have been asked to quit and hand over possession of their houses. Petitioners submit that about 25 families have now got to move out of their ancient houses.

They are poor Adikarnatakas and cannot afford to buy sites at the current market rates or purchase at an auction ~~after~~ competing with powerful people. They are abso utely helpless and crave the sympathy of the authorities. The ~~Foreign~~ Government of His Highness the Maharaja of Mysore have been pleased to recognise the object miscery and helplessness of the members of the community and have from time to time been pleased to issue suitable instructions for the ameliorations of the Adikarnatakas. As a matter of fact under Order No R 1389 - 455 A - R 21-23-50 dated 20th Aug, 1924 the Government have been pleased to set down the procedure pertaining to acquisition and taking possession of houses belonging to Adikarnatakas. Provisions are given to the effect that before houses belonging to Adikarnatakas are acquired suitable provisions must be made for enabling the poor people to erect suitable houses to live in. When the 1st stage of the acquisition of the area under reference was taken up persons affected were given sites near the New Kalsipalyam Extension, Bangalore. The present petitioners are persons whose properties have been acquired subsequently. They have not yet been given any sites nor have they been given any idea as to where they should go and build their houses. Properties of some of these petitioners have been acquired in 1941 and the rest are being acquired now, and notices to quit are being issued. Petitioners do not know where they should go. Coercive steps are about to be taken and the petitioners learn that the authorities have already approached the City Magistrate to ~~quit~~ ~~quit~~ them from their present houses. Should the same be done petitioners will be rendered absolutely homeless and they and their families will have

have to get into the open in these rainy days

Under the above circumstances petitioners have no alternative but to approach the authorities for requisite relief. Repeated petitions including the two on 3-8-44 and 28-6-1945 have been submitted to the Municipal Commissioner, Bangalore City Municipality to provide the petitioners with suitable sites. But unfortunately no endorsement has been issued and no suitable orders have been passed. The petitioners have also submitted petitions to the Hon'ble Minister in charge of the department. But till now nothing has been done.

Now that they are about to be compelled to go out of their residences the matter has become acute and petitioners humbly pray that their prayer may be considered urgently and sympathetic orders passed. The present petitioners and the other Adikarnatak residents of the locality who are affected by the acquisition require about 68 sites measuring about 35 by 30 feet. Some families belonging to locality have as already stated been provided with sites in the New Kalasipalyam Extension, Bangalore. Petitioners humbly pray that they also be given sites in the neighbourhood of the said Kalasipalyam Extension.

Petitioners learn that the Bangalore City Municipality is about to auction large number of sites in Kumbaggundi area under the Kalasipalyam New Extension scheme. They pray that suitable instructions be given to the authorities concerned to reserve the requisite number of sites or suitable area

area for use of the petitioners. All the members of the community, including the petitioners are wage earners and they cannot afford to stay very far ^{away} from that part of the city where they get employment. The area so suggested has been their place of residence from times immemorial and the area is otherwise suitable.

Since it is said that the acquisition was at the instance of the government the present petition is made to the government for the requisite relief. Petitioners humbly pray that their prayer be granted.
